GOD'S GOSPEL SERIES

Week 7 – God Makes A Promise

Wednesday, December 11, 2024

Read God's promise to Abraham from **Genesis 15:5** and then read **Revelation 5:9**. Who is the "you were slain" in verse 9? How did Jesus fulfill the promise that was made to Abraham? How do we see God continuing to keep His promise even today?

Read what happened in **Genesis 22:1-14**. How did Abraham show how much he really trusted God? What did God provide? Do you sometimes find it hard to trust God about certain circumstances? What true things about God should you remember? How should these give you more confidence in God?

Activity: *Read from a missions storybook or learn about missionaries from your church and the people groups they minister to. Pray specifically that God would be at work fulfilling His promise to Abraham by bringing the people to salvation in Jesus.*

Memory Verse: "What is impossible with man is possible with God." (Luke 18:27)
