GOD'S GOSPEL SERIES

Week 6 – God Judges & Rescues

Wednesday, November 27, 2024

Read **2 Peter 3:9**. What does this verse tell you about God? Why is this good news for sinners? How did God show His patience with the wicked people during Noah's time? Did they have time to repent and say, "I'm sorry God. I will trust you and do things your way instead of my own"? Does God's patience mean that He will ignore sin and never punish it?

Do you believe that God really punishes sin? Do you understand that your sin should be punished too? How has God shown patience to you? Has God made a way for you to be saved from His judgment? Did He use an ark, or something even better? Explain.

Activity: *This week, before you go to bed each night, write down one way in which God was patient with you. Place this paper near your bed. Then, before you go to sleep, pray to God and thank Him for His patience towards you.*

Memory Verse: "For the Lord knows the way of the righteous, but the way of the wicked will perish." (Psalm 1:6)
